

## Liquid Jet Eductors: Marine & Offshore Industry

### ■ Typical Applications:

- **Ballasting/De-ballasting eductors**
- **Salvage eductors- fixed and portable**
- **Bilge/Void emptying eductors**
- **Fire fighting foam entrainment eductors**
- **Helicopter de-fuelling eductors**
- **Vacuum toilet system eductors**
- **Desalination eductors**

### ■ Sizes:

**DN15 to DN450**

### ■ Fittings:

**Screwed or flanged as per requirements**

### ■ Materials:

**Cast iron; Carbon steel; stainless steel; titanium; Ni-alloy; non-ferrous etc.**

### ■ Quality:

**Northvale Korting Ltd. are certified to ISO 9001:2000 and Module H of Pressure Equipment Directive (97/23/EC); all products CE marked where applicable.**
